AquaPRO
Systems

Stainless Series

- Limited Lifetime Warranty
- Brine Tank with Safety Float
- MediaGuard™ System filters and removes chlorine with KDF 85
 - Reduces chlorine
 - Inhibits bacteria growth
 - Absorbs tastes, odors and other organic matter
 - Reduces metal contaminants
 - Greensand Plus™ reduces iron and sulfur
- Removes hardness, iron and manganese through ion exchange

Note: KDF Process Media meet USEPA and USFDA standards. Validated under ANSI/NSF Standard 42 for drinking water system components and protected under several U.S. patents.

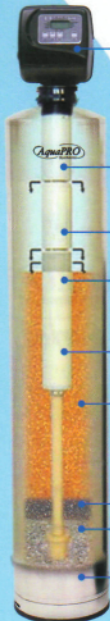

The Controls have been validated by the manufacturer through the Water Quality Association to meet industry Standard S-100-81.

Resin meets requirements of FDA regulation 21 CFR 173.23.

Bringing You The World's Best Water
